Dragon Legend Cruise 3 Days 2 Nights Itinerary

Day 1: Hanoi - Halong Cruise Port - Bai Tu Long Bay | (L, D)

Morning

Begin your journey with **optional** transfer from Hanoi around **8:00am-8:15am** to Halong Bay. On arrival at [Halong Cruise Port](#), enjoy a warm welcome from the Indochina Junk Team before boarding the luxurious **Dragon Legend Cruise**. After check-in you board the cruise and are greeted with a welcome drink and safety briefing. The ship slips into the calm, emerald waters of Bai Tu Long Bay, where towering limestone islets begin to appear on the horizon.

Noon

A freshly prepared lunch is served in the elegant dining room as the vessel navigates toward the [Cap La Area](#) - renowned for sheltered coves and calm water channels - an excellent first opportunity to **kayak** through narrow passages and admire dramatic karst walls up close. Guests can paddle gently, photograph reflections of cliffs in mirror-smooth water, or simply drift and absorb the quiet of this less-visited bay.

Evening

Return to the ship for a relaxing late afternoon on the sundeck. As the sun softens, join the evening cooking demonstration to learn a classic Vietnamese dish from the onboard chef. From Happy Hour through dinner, the mood is convivial and refined: sunset cocktails on the sundeck, a fusion set dinner in the restaurant, then the evening's Cheerful Evening - a relaxed program of live music, cultural snippets, board games or squid-fishing beneath the starlit sky. Overnight onboard in [Bai Tu Long Bay](#).

Day 2: Bai Tu Long Bay in Deep | (B, L, D)

Morning

Rise with the bay for an optional **tai chi session** on deck, then enjoy breakfast while the cruise positions for the day's exploration. Your first stop is [Thien Canh Son Cave](#), a majestic grotto of multiple chambers decorated with glittering stalactites and stalagmites. The cave offers panoramic viewpoints and a small white sand beach - an atmospheric place to walk, photograph, and appreciate the scale and geology of the bay.

Noon

Continue to [Hon Co Island](#), a peaceful islet boasting a fine white sand beach and clear swimming water. Lunch is served either back onboard or on the day boat depending on sea conditions. At Hon Co, guests may **swim**,

sunbathe, or kayak around the island's limestone cliffs; the sheltered coves are perfect for safe family swimming and underwater visibility is often excellent for casual snorkeling.

The afternoon explores the [Cong Dam Area](#), a quieter section of the bay featuring narrow channels, secret lagoons and reflective waters. Paddle a kayak through emerald channels bordered by jungle-clad karsts, glide past hidden grotto entrances, and see the bay's quieter wildlife. Cong Dam's calm environment is ideal for photography and contemplative moments away from the main tourist lanes.

Evening

Return to **Dragon Legend Cruise** for afternoon tea and time to enjoy the pool or spa. At sunset join the second **cooking demonstration** or canapés on the sundeck followed by **Happy Hour** and a gourmet dinner. The evening entertainment continues with the ship's **Cheerful Evening** program: live traditional music, a cultural presentation about the bay, or a relaxed film night - then overnight onboard.

Day 3: Bai Tu Long Bay - Halong Cruise Port - Hanoi | (B, Br)

Morning

Wake up to the tranquil rhythm of [Bai Tu Long Bay](#) and enjoy an early **Tai Chi session** on the sundeck while savoring the first rays of sunrise. A light breakfast is served as the cruise glides toward [Vung Vieng Fisherman Village](#), one of the most peaceful and culturally rich fishing communities in the bay.

Guests can choose to explore the village by **bamboo boat or kayak**, drifting gently among the stilt houses and pearl farms while learning about the locals' traditional lifestyle. After the excursion, return to the cruise for check-out and brunch as **Dragon Legend Cruise** sails back toward the harbor.

Disembark at [Halong Cruise Port](#), where you'll board the return shuttle to Hanoi. On the way, enjoy a memorable stop at [Yen Duc Village](#), a charming northern farming community, for a **traditional water puppet show** - a perfect cultural finale before arriving in Hanoi.

Note: Itinerary may be adjusted based on weather, tides, or port regulations. Wi-Fi is available in public areas but may be limited due to the bay's geography.
